Daytona International Speedway 2010 Biketoberfest!

Daytona Beach, FL - This year, the Daytona International Speedway continued the tradition of exciting, must-see activities for motorcycle enthusiasts during last Oct.14-17.

Perfect Vodka's saloon was at the Thunder Alley for the second year in a row located next to Thunder Alley's main stage. Bikers spent the day catching up with old friends and enjoying Perfect Vodka cocktails and taking pictures with the Perfect Biker. People could enjoy their cocktails at the Perfect Vodka saloon, Captain Morgan's saloon or Jack Daniel's saloon, as well as great food next to Thunder Alley's main stage, which showcased great entertainment, games, contests, music and the annual Hooters bikini contest and fashion show.

Some of the activities bikers could choose included… **Tours of Daytona International Speedway** to witness the historic **repaving project in progress**, which is taking place for only the second time in its history, and with plans to be completed by Jan.1, 2011, **Motorcycle shows** and rallies that showcased new, vintage and custom bikes, demonstration rides on the newest machines from top manufacturers, and nation's top aftermarket **Parts, accessories and apparel companies** located at the Midway demo/display area.

Biketoberfest takes place in October for those who can't wait till March and is a great chance to see some unique bikes and the unique individuals on them. Since it is so close to Halloween, a lot of bikers take the opportunity to dress them up too, some with spikes, and some with custom paint jobs, but all with their chrome gleaming.

We look forward to 2011 Biketoberfest at Daytona International Speedway and seeing you all at the Perfect Vodka Saloon!
