

NEW ORLEANS, LA -- Monday, May 4, 2009 was the 22nd Annual Boys Hope Girls Hope (www.bhghnola.org) Golf Tournament at Beau Chêne Country Club in Mandeville, Louisiana.

As you may know, Boys Hope Girls Hope is a charitable non-profit organization which helps academically capable and motivated children-in-need to meet their full potential. By providing these deserving children a nurturing home, it removes them from a harmful environment to give them a chance to develop their talents from elementary through college years. During the month of May, the program will be graduating two at-risk young women from high school and provide them a future in college. This valuable work can be done with the help of the community. The success of the program happens because BHGH empowers the children in their care to transcend their circumstance and transform themselves.

This year's tournament had a special guest; New Orleans Saints' coach Sean Payton (www.neworleanssaints.com) and was dedicated to the memory of John L. Crosby, who always believed in a solid community and hard work. When Boys Hope came into existence, John immediately supported the program and felt a strong belief in its results and commitment to education. Because of his admiration for the HOPE it provided to at-risk youth, he generously supported the program during its fragile years of growth so that it could continue investing in the lives of these children. For many unnumbered years, John consistently provided his own house to host parties to help raise funds for the homes.

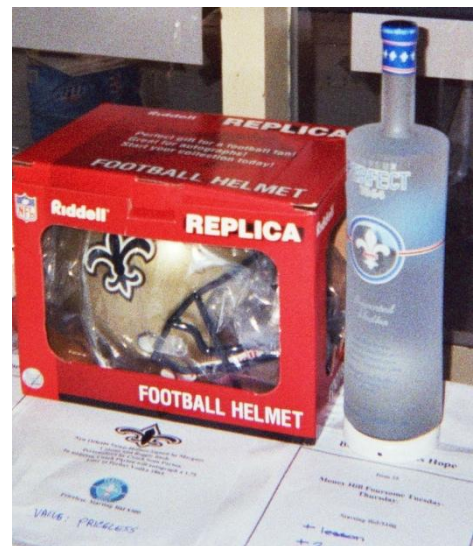

The Tournament gave all participants the opportunity to enjoy the smoothest cocktails sponsored by Peureux Perfect 1864 Vodka (www.Perfect1864.com), an ultra premium vodka from France, as well as playing golf on one of Louisiana's finest golf courses at Beau Chêne. A bottle of Perfect Vodka and a helmet from the 'Saint' football team were part of the giveaway winning prizes.
